Alice, affectionately known as Sister by many of those who knew her well, will be sorely missed. With head held proudly on her broad shoulders, she was our modern day griot. As a leader, Sister carried the Bradley name forward at our family reunions by lighting a candle in remembrance of our ancestors. As a storyteller, friend and cousin, Sister shared her wisdom throughout the years. The time has now come to past that we each light our own candle in remembrance of our dear Sister, Alice. Rest in the peace and love of your Tennessee family.

“ Alice we first met as little girls at Farren school, and ending up as young adults, going out into the unknown world, continuing on reaching middle age. We never know when we will see family and friends for the last time on earth, but Alice, I will always cherish our last conversation, and lunch together, Until we meet again.

“ Our family fondly remembers Ms. Alice Kaiser.

*Ms. Alice as we would call her became an important part of our family when our Matriarch and Patriarch began to age and needed daily in- home care and support. She helped us care for them for almost 5 years before they both passed away. We would never have been able to do it without her on our support team. She was the ultimate caregiver and our "go to" person. Even though our Patriarch and Matriarch are gone on to be with the Lord, we wanted to let everyone know how important Ms. Alice was to us. Her kind, genuine, compassionate and calm spirit will greatly be missed and we know she is rejoicing in heaven with our loved one's giving praise and honor to God.*

To Alice's family,  
I have warm memories of our days at John Farren Elementary and DuSable High school. I remember Alice to be a wuiet and caring person. We also were members of Berean Baptist Church. She was a person who was thorough at the task at hand. Her dedication helped make our 50th DuSable high school reunion a great success. I am grateful to have known Alice and may she rest in peace.
