“ *My dear granny... I love you so much... Being the woman you were taught me so much... You are the glue to this family... I learned history, grace, respect, hospitality, patience and kindness... I know God is pleased that you are back home... And if I know my Granny she will still be holding everyone together from heaven... I truly adore the time I spent with you(I got a whole 26 years) I'm lucky I would say*
