“ *I will always hold on to the memories when Aunt Anna Lee was in the best of health. She was one who could bring joy and laughter to any settings because that's the kind of spirit she possessed. I will miss her but one day we will meet on that great day morning. Family hold on to each other and never forget MOMA teaching. What greater love than that of a mother.*

“ AUNTIE,
SHE DIDN'T SING LOUD like her twin
brother, But where ever she was, you knew
she was there, not because she was loud,
she was a lady, she could be loud, but that's
when she was surrounded by family, in public, in church where ever
she went, she had a presence, like royalty, or majesty like a
QUEEN! aunt sister was a person that also, could make you feel
like ROYALTY around her, she took personal time with each one of
her children, who we were all her children,
NIECES, NEPHEWS, COUSINS, JUST all who were in her presence!
The most of my memories and best is, I was 13, one sunday
morning in Chicago,
she and I were in the kitchen, and she asked if I wanted to help get
BREAKFAST,
I volunteered to do the eggs, she said O K, BUT, always remember
to cook your MEAT
FIRST, and from that personal precious, experience, I became a
very Good cook, ask my children, She taught me that when you do
these things, or what ever you do, put your time into doing it right,
you see it's the time you put into what you do in this life, between
the BORN ON DATE, and the LAST DAY, is how you will be
remembered, TIME IS SO PRECIOUS, FAMILY, use it well!
