“ *To the Family: You have my prayers and deepest and heartfelt condolences. I had the pleasure of working with Anthony while I was Deputy Assistant Inspector General, Audit Field Operations. It was a pleasure having a hard working and conscientious person such as Anthony on my staff. I fondly remember how special Anthony made my field visit to the Detroit. Anthony will truly be missed.*

“ Anthony, I won't never forget those days I spent with you in Detroit Field Office. You showed me how a supervisor cared for your staff. We "chit-chatted", showing how grateful we have jobs, and how much you loved your family, especially grand-child. You even shared that you just rode the "Megabus" to Chicago to visit your family, and I even joked that "you can send your grand-daughter on the Megabus to Detroit too," and we laughed...Even though you are not here with us, but your laughter, smiles and kindness will be remembered. I know that you are in a better place now, and rest in peace Anthony! You are dearly missed.

Anthony's family: may your love for Anthony will give you strength to go through this difficult time.

“ I met Anthony in auditor's school when around the same time we joined the IG. When I met him it was obvious that he was the greatest friend to have around. Him in Chicago and me in Puerto Rico we kept in touch like we have known each other for life. I am very saddened by his passing away. My thought and prayers to his family. I know he will be very loved up in heaven. Hope to see you up there someday my friend.
