“ I will forever remember the moment, when you said to me, “Smile Lil Bit”. Only God knew on that day how tired and drained I was. Hearing the nickname my late father gave me, caused me to raise my eyes up to follow that familiar voice. There you stood, smiling, taking a picture of me. Seeing you greeting me with that beautiful smile, for a moment, a sense of peace overwhelmed me. In that very moment, the stress, the anxiety, I was feeling vanished. Our eyes locked and I smiled right back at you. That was the last time I saw you, October 2023. But not the last time I’ve talked to you. You telling me about your friend , who lived in the same building with you, and how you two be hanging out together. I could hear your happiness and how happy I was for you.

Now, when I think of that moment, I’m truly smiling. Smiling knowing you have made it into God’s Kingdom. Now when I reminisce about you, I’m hearing you telling me to smile. I capture myself smiling with a wonderful feeling knowing that you are smiling right back.

Smile, you look better when you smile. Smile, because God is working. Smile, because your beloved Mother, Grandmother, Sister, Niece, Cousin, and Friend, made it to her final residence...  
HEAVEN.

Love your Cousin, Lil Bit. AKA: Adrian Henry-Dawson
