“ *There were so many thing you taught me, so many things we shared, I knew I always had another big brother when it came to you, we Laughed, we argued, But we always found a way to put that behind us, there will never be anyone to replace you and the love you had for me, But I will continue that love from you my big bro ,and share it with Ahmad, just Know that I will Look after Him like he was my Own .. Love you Ross your lil bro Mookie !!!*
