“ I knew of Mr. Wiley because of my relationship with his former wife Erska Mack and their daughter Angela Jones. To Angela and family, my thoughts and prayers are with you.

“ Barney was a childhood friend whom I married at an early age. Young and dumb. He was 19 years old . I was 17 yrs. old. Our daughter was 2 yrs. old. Rough goings but I never raised our child not to love and cherish her father no matter what, for the family love we shared was incompatible. I was there for him for he was my child's father.

My Uncle was a Heroe to me from the time I was born he showed me so much Love and he spoiled me all the time . I still remember that Miss Piggy Watch @ my Kindergarten Graduation it was such a Blessing being able to serve him and being used by God to pray with him, love and Laugh with him during his final days . Uncle Barney was my dad's older brother and he will truly be missed.
