“ *To Debra, Tony Sr & Chris: My heart reaches out to yours as I know exactly how you all feel right now since my Mother left us April 1, 2011. Aunt Betty was such a wonderful & beautiful person. Even though I have only known her for 5 years, since marrying your cousin Hank, it seems like I have known her my whole life. She showed me love & welcomed me into the family from the very 1st time I met her. I will miss our talks, her humor (such a funny lady!) & of course her good cooking! She never let you leave her house or a party without at least 3 days worth of food to eat! God never makes a mistake when He calls one of his earthly angels to come back home to Him. I am grateful that she is now not only with God, but she is happy, pain-free & whole once again. May God continue to bless, keep & watch over all of you.*

*Love Always,

“ Miss Betty was a wonderful woman. I met her through her daughter, Deborah who faithfully served at GOD NEVER FAILS Healing and Deliverance Ministries. Miss Betty was warm, kind and had a marvelous sense of humor. I know she rests in Christ Jesus. Love and peace to you, Miss Betty. My warmest regards to your daughter, Deborah. Dr. Ramona Joseph+

I will always hear your voice saying "First things first" with everything I do and make sure I do everything I'm supposed to because if I don't you'll "Come up to my school with your cane and Caruso!". I'll always remember all the love you've shown me, the kind things you did, and your advice on life and men. “ My condolences to the Wright family..Betty is not dead, she did not die so please don't question the reason why. She have no pain so do not weep, you might disturb her peaceful sleep. Her soul is free like the morning breeze, no cares, no worries and no needs. She is with Jesus, she is not alone, She have all of heaven in which to roam. Believe in this with all your might, So Bettys family can't you see, she is as happy as she can be

“ Mother Betty, I'm so sorry you had to leave us so soon, but I know that God knows best and He only takes the best back home to be with Him. I just want to say that I have nothing but great memories of you and I thank you for all the wisdom that you deposited into my spirit and whispered into my ear. Thanks so much for teaching me the right way to cook cabbage! I was just telling Debra that I never knew anyone who could cook cabbage like you. lol Heaven is a much better place now that you're there with all those great soul food recipes! lol Rest in peace and say hello to my dad when you see him. He'll be the short guy either frying chicken or roasting some kind of meat in the oven and probably talking to Jesus about a lot of different things going on in the world. May God bless you and all the other wonderful souls in heaven who also left us too soon. We will miss you.

“ *From Barbara Jean Wright to Betty Jean Wright, Thank you for showing me how to be a strong, intelligent, and resourceful woman. You're a one-of-a-kind woman. A caring mother-in-law to me and a devoted grandmother to my children. Thanks, Mama Betty, for always "keeping it real". Loving you yesterday, today, and forever.*

I am truly going to miss you Ms. Wright. I have always considered you "my family", because that is the way you have always treated me. We shared a lot of memories together: baby showers, birthday parties, and other family "get-togethers". I will always remember that you did things your way; and you didn't care what other people thought about it! You showed us all what it means to be a strong woman.

One of my dearest memories is when you came to my mother's repass. Not only did you cook; but you sat in a little spot in the corner the whole afternoon. You were there for us at a very difficult time. That really meant a lot to me.

Thanks for being in my life. Thanks for being a very special part of Malik's life.

Rest in Peace Ms. Wright.

*Love,
Susan*
