“ One of the only men that cared when I was a child enough to be a father/Uncle. You taught me baseball, till this day the only sport I care for other than Karate is Baseball. The best way to describe you would be salt and sugar, Thank you for your service to America, Thank you for your life struggles that saved me from mine, Love you Uncle. p,s, tell Momma, Grandmomma, Rob, Tina, Staria and Pheona I said I Miss them, and I Love them--Tyrone
