“ I remember the first time I met Tank,. he bought Jesse to my house to pick me up in his van. They took me back to their house where the family was playing poker. He made me laugh the whole time I was there. In the 25 years, he became my cousin Tank and I cousin Mocha. I did not come around as I should have over the years but know that you were in my heart and the few times we did talk, you always said the same thing to me "Me: I sorry Tank. Tank: Dont be sorry, be careful" I would make me laugh every time. I am going to miss not hearing you say my name. Rest in heaven cousin and tell all my love ones hello. They will treat you well!!!

“ Big little beother....don't have the words. We did so much together. You followed me around until you found your own way. Still remember you and By in the back yard cursing and fighting and waking up the neighbors as children. Love you....miss you already.....never forget you. Say hi to daddy,momma, Nicky and everyone else. Rest easy Big Little Brother

“ We’ve been knowing each other for at least 35yrs and you were always a blessing to be around. The Amoco Gas station at the end of my moms block was the hangout spot and you made sure I wanted for nothing. My dear friend you will be greatly missed and my love and condolences are with your wife and your families. R.I.P. my friend

Gone but never forgotten
