“ Cheryl was unique and unforgettable. I worked with and for Cheryl. I've kept contract over the years by email and had always hoped our paths would cross again. One memory of Cheryl I'll never forget was her leading me to her car for a meeting and driving around the block so she could smoke. The Company had gone smoke free and this way two things could be accomplished - our meeting and her smoking. My deepest sympathy and prayers to all her family. She will be missed. Penny Wiley
