“ *To the family of Mr. McCain I sincerely regret the lost of your beloved one. But, please know that he is experiencing no pain or any suffering. According to the Bible Ecclesiastes 9:3 the dead experience nothing. They ere in an enteral rest or sleep. However, Jesus Christ promised that " ... those in the memorial tombs will hear his voice and come out...". As God's original purpose, these resurrected ones will be restored with perfect health and a future prospect of everlasting life on a paradise earth for obedient ones. Please read Pslams 37:29. If we can speak further about death no longer effecting our lives and seeing our love ones, feel free to contact me.*

Thank you. Clair Jones
