“ Toby, you left us so suddenly, I will never forget that phone call I received with the words you are gone!! gone away without a clue, as to why you had to leave us too. I know you are in Heaven, shining down on me, its just I cant imagine you without me. I loved you so much, and will remember your laugh. I wish you could be here, but just have to think of the past, the past we shared talking on the phone, hearing your tone. I cry so hard but it never makes me strong, it just makes me realize you are gone!! I love you big brother R.I.P!!
