“ My name is Cynthia Oates, I worked with Cyrus for a short while at the Oak lawn Clinic. He was a kind and considerate person to the needs of everyone. His character spoke for itself, he was very engaged in his work and the people he served. He truly stood on the motto and vision of serving. He will be missed by many.

Cynthia Oates

“ though I only knew you for a few years, you were always thoughtful and kind. Even when I would see you in the lobby, you would stop and we would have short conversations. you would always ask me about my health. I am so sorry to hear that you are no longer with us. your smile and conversation will truly be missed. Rest in the father arms my friend.

“ Cyrus, my buddy; we shared so many meaningful conversations together. You taught me a lot about my rights as an employee. Your intelligence and knowledge were unbelievable. I will truly miss you when I need advice.

Thank you for your service and thank you for being you.

Cyrus, life-long friend, classmate of my brother and sister, product of Princeton Park Homes, fellow Veteran, and Brother in Recovery, how could this happen and why after I leave Hines? I'm sad, pissed and you left me out. My prayers and condolences go out to you and your family. I'm missing you already and will always Love You, Dude.
