“ *Here's an old picture of most of them*

“ *Uncle Dave was my moms brother. I don't have very many memories of him. I do get a laugh when I see them all and notice they all have the same face! Those genes are strong. Rest well Uncle Dave. My condolences to his children.*

“ *People are not remembered for what they are but for what they gave.
Dave was my dear brother who had a generous heart. The best part of his life is the many acts of kindness he offered to others.
He lived a long life, but what really matters is the life he lived. He was a gentle loving soul,, blessing family and friends.
So proud to call him brother, but most importantly , I know we will be together again in eternity. This is not a goodbye, but I will see you later in glory. Your sister, Big Girl*
