“ To the Lawrence Family:

*Dillard was the epitome of "not meeting a stranger" when our paths crossed in 1973 while he was visiting LK at Lackland AFB, Texas. It was the beginning of a nearly 50-year friendship that transcended time and distance. He and family members visited SAT - as well as - welcomed me into their home(s) in Chicago. We shared updates of our respective families and lives via mail, telephone, and technology.*

*Please find comfort in the knowledge that he is in God's peaceful rest, reunited with heavenly family members, and watching down with on you all with love.*

“ *Dilliard and I attended Burnside Elementary School. He was in my 6th grade class. We both graduated from Harlan HS in 1970. Through the years we stayed in contact. I will miss his friendship.*
