Thank you for caring for my mom when I couldn't be here. You are more than a sister in law to me.....always know that no matter what! Love you always.

“ *Dee, I knew it was something about mama when I met her. She is now hanging out with my mama in heaven. Our mothers birth and death days contain the numbers 5 5. I knew you and I were sisters for life. What we have is divine intervention. I live today because she prayed for me. My daughter Leah lives because she prayed for her. Love you girl and I grieve mama's passing with you. She has gone home and praise the Lord she has left her beautiful spirit with so many of us. I feel so blessed she touched my soul.*
