“ I am very happy to had the pleasure of having EJ in my life these last few years. Every encounter was always welcoming and joyous. I'm grateful my daughter was able to meet her great grandad before his passing. EJ you will truly be missed. RIH, love Sharna' and Arya

“ EJ's calm and cool personality is one to be admired. He never seemed to sweat the small stuff with frustration and worry. I often think of him as an example when I want to remain cool, calm and collective. I believe is style and demeanor attributed to him living a long happy life. He even danced nonchalantly as if he was the only person in the room. You can now dance with your wife again.

Love Shonny Bonny... that's what he always called me!

E.J., We have many PRECIOUS MEMORIES OF YOU! On your 90th Birthday Celebration, you danced all the way down from the front door to you table. We always looked forward to coming to your home for FAMILY GATHERINGS!! You continued the tradition after our Mom & Dad went home to be with the Lord. "E.J., thanks for being sooo much like our Father. We will miss you!! But we were blessed to have you in our lives for 93 years. When we talked on the phone, I would ask you, do you know who this is? you said YES, You Evalet!!!! Yes, this is your sister Evalet!

“ My Uncle EJ,

I am grateful to God that he blessed us with 93 years of your life well lived. You were always well dressed, looked much younger than your years, shared your home and many meals with the family, you could dance a move better than most and your smile was long lasting. I will miss you uncle!.

And to your family

"Now the Lord of Peace himself give you peace always by all means. The Lord be with you all." 2Thessalonians 3:16
