“ *Elisha Loree Coleman*

“ *Elisha was my niece, who I loved, although I hadn't seen her in quite a while. One of my fond memories, was taking her and Kennon to the mall when they were kids. I enjoyed just spending the time with them, etc..I remember chatting with Elisha on the phone, etc., I always knew Elisha was a good and smart girl, who would become a great young lady. Although her body has expired, Elisha spirit lives on, along with the memories. I wish my brother (Elisha Father) nephew, Elisha mother, grandmother and all other family members, along with her friends, comfort and peace, during this difficult time.*

*Love,
Auntie Terrie*
