“ *When Ellen went into labor with JR, instead of me calling an ambulance I scrambled around looking for a ride to the hospital. I found Porter Hopps and we got to Cook County Hospital in no time. I got mad because the nurses were taking to long to help her and they put me out. When her and J got home, we laughed so hard my jaws hurt. Thoug jb we didn't see each other often we were always close as friends. I'll miss her dearly. Rest in Paradise Ell.*

“ I remember when I first heard Ellen's testimony. We were in Drama rehearsal. She stated how she use to pick pockets. Now she pick the strings on the bass for JESUS. Ellen played the hell out of that bass. It was as though for every sin she plucked it out!!! Love You Ellen Your Memory lives on... Peace to The Barnes Family

“ I remember when Ellen received her degree, I was so extremely proud of her. She helped inspired me to get my second masters degree and I was pushing her to go for law. We've always been encouraging one another and I remember when she use to bring Vincent to service. Her heart was always for others and she will truly be missed. Love you Ellen and thank you for being a part of my life.

“ I remember kindness and grace on a beautiful face. Ellen once tried to teach me one of her signature runway walks while I was in high school. I flopped at it, she was one of a kind and owned it!

“ *Ellen was smart, loving and beautiful. She was always fun to be with. I often attended the fashion shows where she would model when she was younger. Despite her lengthy illness, she displayed courage and determination. I will miss her but will not forget her. God lovrd her best. Family, my prayers and thoughts are with you even as I am absent. Love you*
