“ *To the family of Ms. Ivy I truly regret the lost of your love one. But know she is experiencing no pain or suffering. According to Ecclesiastes 9:5, The dead experience nothing. They are in an enteral sleep or rest. However, Jesus Christ promised that ".....those in the memorial tombs....." will hear his voice and come out. In harmony with God's original purpose those resurrected ones will be restored with a promised future of perfect health and everlasting life on earth for obedient ones. Please read Pslams 37:29. If we can speak further about death no longer having control over our live and seeing the ones you love, again, please contact me.*

Thank you
