Fern,

My brother from another mother who paid me the ultimate compliment by recognizing the IT potential in me, and gave me the nickname "Caveman." You and Grace will be so sorely missed my friend. I just wish to God you and I would've had just One more opportunity to have a conversation together and rebuild our bridge my man! I'm gonna miss you and our conversations. I wish heaven had a phone, so I could call you bro. I love you dog. Sleep peacefully. Liz if you see this PLEASE reach out to me. I had NO IDEA! I just recently found out, ma'am. You have my most heartfelt of condolences... bdecasan@proton.me

“ I was with Fern for 2 1/2 years. He was the kindest, warmest, most humble man I've ever known. I loved him with all my heart, but I didn't deserve him. I don't think I'll ever find a man like him. He was one in a million, that's for sure...I know I'll see him on the other side, sometimes I want it to be now...but anyway he was the best! Truly a real hero, legend...n I miss him terribly. Every day...until we meet again sweetheart, your in my thoughts every day. I miss you Soo much!
