“ Honorary GRANDMA.

Thank you Flo for being there for me. When I lost my husband ,my kids were so young. Flo took it upon herself to become their honorary grandmother. I did not know that she decided this but when Christmas came around she had gifts for all three of my children. When We got together she always had warm words to say to me; a beautiful thought to share all in her loving way to make me smile or having me busting out laughing!!! I would like to thank you Skye and Ivory for sharing your grandmother with my kids and I'm going to miss you Flo and I love you....❤️❤️❤️❤️
