*-Gene Earl Pitts was my biological Father. He did not raise me, but I loved him none the less.*

*-His full name was Gene Earl Pitts. He was never a Jr..*

*I saw him as leader, a loving father to some, and a grandfather. He took care of his mother, the late Catherine Harrison and later his step father Allen Harrison who resided in Cleveland Ohio, until each of their deaths.*

*-My father was an US Air Force veteran before serving and retiring as a sergeant from the Chicago Police Department after 30 years of service.*

*He was married to Lucille Dooley Pitts for at least 50 years, whom he cared for until her death on Mother's day 2025, according to his adopted daughter Kelly Pitts.*

*May the Lord bless you and keep you, may the Lord lift His continence upon you and give you peace forever more. Amen. ❤️🙏🕯️*
