"Words are but dust in the roaring wind when they try to bring you relief. And thoughts are just straws on the raging sea when they seek to soothe your grief. But love is a light in the lonely night to bring comfort and show you the way and faith is a rock on which hope is built that we'll met again someday." I was fortunate to have Audrey as my friend and to experience the love and laughter of the Williams household. Mrs. William whether she was at home, visiting neighbors such as my Mom, left an indelible impression that will forever live on in our hearts. Love, Peace and God's Blessings always. Rintta
