“ I will miss talking with Glenn. He was a great listener and an energetic person to converse with. My thoughts are with his family and closest friends. He was a great person to know.

“ Glenn was always in a great mood, shared fun trivia, and was very knowledgeable in Chicago history and music. He was great company and provided feedback during my installations of exhibits at the Harold Washington Library Center, CPL. He always had a smile for me, and that meant a lot. I will miss Glenn, and will be in my prayers. Debra O. CPL Librarian
