“ Mudear's life experience was always enjoyable to listen to..., listening to her talk about how life was years before I was ever even mentioned or conceived, is true history that some of the best textbooks in the world don't even supply, and we all were thankful to have her as long as we had her

“ Rebecca use to cuss me out about not coming to the family reunions and I strongly regret that now. But I'm glad I got 29 years of knowing you and being loved by you. Most of all during your last of day I'm glad I got the time I did with you. Sleep on sleeping beauty we are all fine here you have placed enough in all of us to carry you on as we you rest. We love u beyond words and until we meet again!! I love u
