“ Brotha Johnny was a brotha who stayed FLY and gave wisdom. One of the first people I got cool with when I moved to Cali. We connected because of our Midwestern roots and connected because we were like minded in ways of thinking. I appreciated all the game you shared with me and even after we were no longer in the same vicinity, you stayed encouraging me through Facebook. I will never forget you brotha... Oh yeah, brotha had the COLDEST FALSETTO EVER... Rest Well, big bruh!

“ We are praying for your family in order endure the days which lie ahead. May God comfort, strengthen, and provide a peace which surpasses all understanding. Johnny your work in this world was done, may you now take your rest peacefully somewhere around God's throne.
