“ *Hey my name is Emily Clancy...you may never see this but I would often think about Jonathan every so often...I heard the news a few weeks ago and I was heartbroken. Me and Jonathan had classes and even went to kids junction together(he was even my boyfriend for a while)*

*I remember in 4th grade during lunch he would wheel himself or even walk with his walker!! And everyone would cheer him on and he would be soooooo happy and smiling! Jonathon was always such a happy boy and I'm glad I got to always seen him smile. I miss him a lot and I really hope this gets to you. I'm sorry that such a thing has happened...may he rest easy and I send my love to you and your family..*
