“ One of my fondest memories of you and there are many, but the one that stuck with us was that year when Latoya was born you had to be a good 22-23yrs old and you asked me if you could take her home with you to spend the night lol I was like, you serious and you said yeah I want to keep her, so I agreed and you took her home and kept her overnight. I don't remember how old Toy was at the time, but she was some months, over the years we laughed about this constantly when we would see each other (I guess you was getting in practice for Shon) 😂 but cousin I will miss you much I Love You, always have, and always will 😭 Rest In Peace 😊❤️❤️

“There is a sacredness in tears. They are not the mark of weakness, but of power. They speak more eloquently than ten thousand tongues. They are messengers of overwhelming grief...and unspeakable love.”
