“ I've worked lo for many years . My fondest memories with lo was Dec. 9 1996 the day i had my daughter. I made it to work that morning went to the ladies room Lo desk was close by the washroom I step out and I told her I think I'm in labor. She looked at me and said get away by her she couldn't do nothing for me , but put me in the wheel chair and push me out the door.

She was a very special friend I could talk to her about anything. She would be truly missed.
