“ Louise was such a nice person. I had the pleasure of working with her in the '70's at IBM, Atlanta Lakeside location I think. She was in conference room scheduling, which was a lot, lot to keep up with back in IBM's days of glory as the most profitable company on earth at that time. God bless you Louise.

“ Linda, you have my deepest sympathy for Louise Kaba. My dearest friend since 1975 in Atlanta at IBM Corporation where we worked in the same department for 14 years. I really missed her as she decided to move to Chicago. I have not seen her since 1990 but we talked occasionally by phone. I shall cherish her memory as well as her recently deceased daughter, Saran. Goodness knows we had so much fun in those days in Atlanta. So many fun activities. She loved her family.
