“ *I met Dr. Hooks a few times in my life. Every time I met her she was warm, caring, and inviting. She welcomed me into her home with open arms. And, of course, she fed me. I knew she was a very special, wise, warm, compassionate person. And she raised amazing, smart, kind, and successful children, which shows her amazing character. I am grateful to have known her and so sorry for your loss!*

“ She will be greatly missed. She was a wonderful example of a Mother, an educator, and a friend. Her gatherings at her home were always welcoming. They don't make them like her anymore. RIP Dr. Hooks

“ I had worked with Dr. Hooks for a long time. She was a wonderful person and friend. She had a soft quiet manner, but she was strong. She never raised her voice and was always soft spoken. She was like family. I will miss my dear friend. I know she is in a better place. I am praying for the family and I know words are not enough. She will always be in my heart and memories. I just wished I could have talked to her one last time. May God bless you.

“ Mrs Hooks was like a second mother to me.... She always kept me, Keisha and Erica in check whenever we fought each other over a toy, a game, and everything else silly we argued about. LOL Her home was that home that all the kids could come to to play. She will be missed, but in God's strength, there will be comfort in knowing she is watching over us all.....<3

“ I transferred to Bryn Mawr Elementary School in the middle of my 1st grade year, and Ms. Hooks was covering our class because our teacher had been out after a surgery, I think. This was my one and only school transfer even though my family moved around a LOT, but I remember no difficulties in this transition. I remember Ms. Hooks taking good care of me. I remember her smile and her loving nature. And even though I'd combed my bangs out of whack on picture day (and my classmates have the proof!), I remember her trying to help me tame them. When my classmates got THEIR teacher BACK, I was losing MY teacher. My classmates had great things to say about the original teacher, and I only hoped that I would love her as much as I loved Ms. Hooks.

It was an honor to get to know her as a teenager through my friendship with Keisha (also practicing on our singing and dancing careers!). And she was just as welcoming and caring after all those years. As a student services professional and educator myself, I know there's something necessary about caring about the people you guide. She had the heart and, oh, I felt it! I remember it. And I am thankful. My condolences to the family...

“ *My memories of her started when I was young. After my mom passed she was really there for me. She will be greatly missed.*

“ *I mostly have memories of her as a little. How kind and generous she was. She always had a smile and was a source of quiet warmth.*

As an adult I was able to reconnect with her and her family. I learned that nothing had changed. Rest on good woman. Rest on in Christ. You raised a legacy in your children that is phenomenal.

“ *My 2nd Mom, was one of the strongest, caring, loving, most compassionate people I have ever met. She took me in as Family. The Lord took an earthly angel on Monday. I know the Lord said to Mama Hooks, "Well done, good and faithful servant."* ”

“ *Ms Hooks was undoubtedly a wonderful woman that impacted many lives. I was blessed to have known her. I can recall many days playing at her house. Whether me and Keisha were pursuing our singing career or acting career she was there and supportive (although she once said we should stick more to the acting lol). My heart and condolences go out to the Hooks family during this time. Ms. Hooks was a wonderful educator, mother, and just overall human being. She will be truly missed.* ”
