“ *Granny, not a day goes by where I don't think of you. This all still seems unreal and it seems like any moment now I'll hear you coming through the kitchen with your walker. I know you are happy as ever in your new mansion with a big plate of greens and hot water corn bread :-)* You are definitely living the good life now :-)
Love you my forever Angel!!!

“ Our thoughts and prayers go out to all the family and her friends. She had the kindest heart and was always so sweet to me and my children. We will forever be grateful. She is in a place now so good we can't even begin to imagine it and rightfully so. She is an Angel!!!!

We love you Auntie and will miss your beautiful smile!!

“ My thoughts and prayers are with your family. Working with Stacy, your granddaughter, has been a blessing. I know it comes from the strong family that she is a part of. Stacy has shared many stories and there is no doubt how much you were an inspiration to her. I know you are looking down from heaven and will continue to be strength for your family.

“ As I grew up in Memphis, Tennessee, I knew I could always count on you. Each Friday at about 3:30 pm you would get off of the 57 Park bus and cross the street to "the House". Anthony and I were always glad to see you because we Knew we were getting our \$,05 allowance, which was a lot in those days. You always made me feel special. You were the best cook in the world, especially those jello cakes and your spaghetti. I haven't stopped crying since you went to Heaven. I will miss you for the rest of my life.

Forever in my heart,

Your favorite Niece :),

“ We still can't seem to wrap our minds around you not being here physically. It just seems so unreal to not be able to reach out and touch you. But we thank God for the 93 years he gave you and the years he blessed us with your presence. You have left a profound footprint in our hearts that will never be duplicated. You are our forever angel.

This is really tough for me and my family. Auntie-Granny was my heart, such a special lady. I have so, so many fond memories of her. We thank God for 93 years. What a soldier she was and always will be. To my Chicago family, May God's Grace and Mercy sustain you. We love you Auntie and will never forget all that you have meant in our lives.

Your Nieces and Nephew,

Melba, Christian and Cannon, rest well in the arms of Jesus

My heart is heavy yet again as I share your grief in the loss of our Granny Taylor. For over 40 years she has been a beacon of light in my life and the lives of the Russell-Giles family. We can only find comfort in knowing whose she was. She and mama Giles are now shaking hands as they rest in the bosom of our Lord and Savior, Jesus Christ. Rest on Granny, we will meet again. A life well lived.
