“ *Dear Cynthia, Karin and Kevin,*

*My heart grieves with you as I remember Aunt Melba. She was a very special Aunt to me because she took care of me when I was a wee toddler staying with Grandmother and Grandfather Sykes. I loved playing in her room with her shoes, perfume and jewelry. When we were discovered, she lovingly shooed me and Shelby out. She was full of spirit and had a memorial laugh with a great smile. She was our "Fly" Aunt, had the best music, could dance and had a tall, handsome boyfriend named Fred. He wooed her away from us but always encouraged her to come home and sometimes with you guys in tow. I will never forget my first visit to Chicago as an adult. Aunt Melba took me around the City, especially to the South Side/Hyde Park. We had lunch at this great neighborhood joint where we talked, laughed and caught up on the Family. Your Mother was "AWESOME"!! She always left a feeling of kindness and love whenever we were together. My entire family has sweet memories of her including my grandchildren. Please remember that during this difficult time you are loved, prayed for, and never, ever alone. "May the God of hope fill you with all joy and peace as you trust in Him."
