“ *Dwana,*
My wife and I have Thanked God many times for you and Mike as I watched and spoke with him about being a husband and father. He gave great insight in many areas of life. Knowing he is safe and sound with God, I continue now to pray for you and your sons, that He keep you all in the comfort of strength, understanding, and perfect peace. In the name of Jesus.

“ Mike was the best parent two young men could ever have, he was also a loving husband, that supported his family to the up most. He never raised his voice and when I coached Montana, he gave full support on my decision for his sons best interest. Even when I talk to Christian about college, Mike asked me to full his son in about what goes on in a. College setting. He ,always wanted the best for his family. Mike the true man,farther, and gentleman.
