“ *My son martell patrick campbell Murphy never acknowledged him i waa 16 and hw was 31 my parents wanted him locked up for rape but it wasn't really rape in my eyes it was like i was in love with an older guy Murphy so now after 32 years i find out God called him home my sop pop n never met him. Humm thr splitting picture of his father with all the mannerisms he died on my son's birthday God's got a way. Oh yeah my grandson looks like him too lil martell. I remember tryn to reach out to Murphy's mom but she wasn't tryn to here any of what i was saying so i nerver bother them again . I know my son has a brother and a sister just wish my son could atleast meet them. Michelle campbell okoko*
