“ *My Beautiful Butterfly Myrline,
When I got that call saying that you had passed, it seems like someone had cut the other part of my heart out. I was at my cousin/son funeral when your auntie Cynthia call me with the news. You were my Beautiful Butterfly and I was your auntie GBall. I am going to miss your smile, your laughter, your jokes, In you calling me Auntie GBall. Whenever someone saw you, they saw the rest of the gang together, which was Me, You, NeNa and Lawanna. We had so much fun together, you always did for everyone with no hesitation. I'm going to miss our talk on the phone, reminiscing about how you use to break into our house, in you would be up stairs waiting on Mel to get home, we also would be reminiscing on all of the fun we had at the parties that uncle B would throw. I thank God for the time he allowed us to be together. In I thank you for giving me a piece of you My little mini me SKYY Latrice Sumlin. I would not say goodbye, but I will say that I Love You and we will talk later. Please watch over all of us, especially MY Mini Me Skyy, Da'von and Ra'Quan. Heaven Couldn't wait for you!!! Fly High My Butterfly, FLY High. □□□□□□*

“ I love you mom. Words can't express the sadness I feel that you're no longer physically present. I'll eventually be okay, and knowing that you're resting gives me comfort. You had the best smile, and your soul always shone through your eyes. I love you forever. I had this picture as my google account photo for so long, and I was going to change it, but it's going to stay the same now. Please send me more signs. Heaven couldn't wait for you - Skyy <3
