“ *Ms. Harris was a very genuine and caring person. I had the privilege of knowing her from many, many years ago. Unfortunately I did not have the opportunity to see her during her period of illness but I prayed for her each day. Below is a poem that I came across which I would like to share with the family:*

A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me". Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we're together again.
