“ *I met Mrs. Crawford and her family through my BFF Lois who is married to Melvin, Mrs. Crawford's son. I can honestly say she was a joy and pleasure to be around and the love for her family was quite obvious. She was a true 'Southern Belle', may you rest in peace.*

*To the Crawford family please accept our deepest Condolences. God knows you loved your mother but God loved her best*

*Aunt Narva had a smile that would light up a room and had an infectious laugh to match.... She would send us special cakes I was always amazed when she told me she made up her own recipes and didn't use measuring cups The cakes were perfect every single time Have you close to our hearts in deep in our prayers love Florence Sanders and family*

*My mom was a sweet, strong, loving and giving person who wish the best for her family and friends. She taught her family many many things but most of all was to stay strong and never give up. I will miss you mom but never forget you EVER!*
