“ *I've always known Nithia fondly as "Auntie." She was my favorite person to visit growing up, and she spoiled me just as much as my Nana (her baby sister). Though I am saddened by her passing, I'm so thankful that I had so much time with her. I have more wonderful memories of her than I can count. I'm thankful for her presence in this family, and I know that presence will continue for years to come.*

“ *Nithia Lee Upshaw (Auntie) my mother's oldest sister. I have so many profound memories of your life and the lives of your siblings. Through each of you, I absorbed the importance of family and GODLY direction. I celebrate your long life with gladness in my heart because I realized that you have joined my own mother and your other brothers and sisters who have greeted you with open.*

*Your nephew: Darryl James Powell*
