“ To the woman I spent most of my childhood with; you are truly missed. Word’s cannot explain what I feel right now Peggy; but I would like to thank you. Thank you for taking care of me, thank you for being a cousin, thank you for treating me like your very own child/grandchild. I did not have the opportunity to meet my grandparents but you filed those shoes in place of them. Do me a favor and tell Ozee and Harold, I said hello and I can’t wait to meet them one day.

Love Your,

“ This is one of the hardest most heartbreaking days of our lives, yet another love one leaves us behind. I wonder Peggy, if you know that you were truly loved, if you even know how many dreams you have made come true, or how many lives you have touched, changed or rearranged. I know mines was one. You were my teacher, my mentor, someone I looked up to, you were my Shero and I only have a few. I love you Peggy and always will Your twin Anita.....Until then, Let The Good Times Roll

“ You will very well be missed. I will always remember my time we shared during my childhood. How much of an impact you had on me. Even now when I dress up; I think of you. You was always soooo glamorous and sophisticated. Always knowing what to wear, when to wear it, and how to wear it. Taking no mess while you doing it. (Lol) The best dress in the family and Chicago to me. You was a cousin to me; but you always felt more like an aunt. Gave me my first silver dollars. I WILL MISS YOU VERY DEARLY. Linda

Sorry to hear about your grandmother, April. Just this time last year, I remember us talking and you pointing out proudly, "My grandmother raised me!"

Sending prayers and hand squeezes your way.

April, Sis Myers is absent from the body but present with the Lord. We as a choir is asking God to send His angels to watch over you during this time of celebration because The Inspiration Choir of GMP is here to help you celebrate your grandmother's life. Can't you hear the angels singing "With God I Can".

Love your brother in Christ.
