“ I would like to extend my condolences to all family members and friends. I had the pleasure of meeting and getting to know Priscilla through family gatherings at Ron and Tawanas house. I am the sister of Tawana. We all shared some great times at their house. I know there is a tremendous void with the loss of a loved one. May she live forever in your hearts and memories. She is now at peace and I can hear her parents and family saying welcome home Priscilla, welcome home.
