“ I would like to extend my deepest sympathy to the family. May God bless and keep you. May God give you strength to endure what you are going through. I will miss my cousin also. Rosie always had me laughing about something whenever we talked. Weeping may endure for a night, but joy cometh in the morning. Sweet rest in peace with the Lord, Rosie.

With Love,

“ I was Rosie's doctor for the past 2 years. I am greatly saddened by her passing. She was a fellow health care professional and musician, and we shared many similar passions. I will always remember her positive attitude, often cheering me up, regardless of how sick she may have been. I will miss Rosie, and I offer my genuine heart felt condolences to her family and friends. May she rest in peace, and may music always accompany her soul.
