“ Our restart was rocky, you see I was stubborn like both my parents, so I come by it honestly. I’m just grateful that daddy didn’t give up on me and gave me the time to come to my senses. Because of this we had a relationship that was honest and true. I loved him and I know that he loved me. This is what I needed and what I will miss. I love you daddy and thanks for loving me. ❤️

“ Our BIG BROTHER!! Our HERO!! Our PROTECTOR!! These are just some of the words to describe Mr. Shirley Leon Chapman's esteemed loving relationships which he had with me, my sisters, other members of the Neal family, and others who knew and loved him.

Sonny (his life-time family name) was our first baby sitter, who eventually would become our best friend, will forever be missed on this side of Heaven's Gates. Sonny will always be our BIG BROTHER, HERO and PROTECTOR!!
