“ I am really going to miss our early morning and late night conversations. It's really hard for me to wrap my mind around her passing. I thank God for the memories I have. We last spoke a couple of days before her passing and we laughed so hard. Love, Hugs, and Kisses. Val

“ Shirley and I have been thru many good and some not so good days together for many years. Because of that, and more important in spite of that, I discovered what a true friend really means. She will always be in my heart. I already miss you my friend!!!!
