“ *We send prayers/condolences to our family and friends of Tasha. May we all embrace in our hearts the memories of having the opportunity to know her. The coming days, months and years ahead will be trying; however, as all lean in to support each other, we can take some solace in knowing that we will make it through together as a Family. Rest peacefully Tasha!!! Love always, your cousins: Curtis, Tina, Kyle and Kylie (Hardy).*

“ *Tasha
As I write I can hear your voice & hear your laughter. When I close my eyes I can see your face & see your smile. When I ask the question why I get one answer and it remains the same....."BUT GOD!!!"*

May God grant us all STRENGTH & PEACE beyond all understanding today, tomorrow & the days to come.

“ *Family, you have my deepest sympathy in the homegoing of Tasha. I will miss her genuine attitude and wonderful personality, as she spoke very lovingly of all of her family...especially you, Lexie. I will miss the funny stories she shared... as she loved you all... I know you will miss her, but know that she is resting in the arms of her Heavenly Father. To God Be the Glory*

“ *Tasha... what a beautiful soul. Such a pure heart. I'll never forget when Ari died and you greeted me with the warmest hug to let me know you were here for me. I hope that is the same warm hug Ari greeted you with when you accompanied him in Heavens Gates. I'll never forget your welcoming and bubbly personality. Your music choices, your voice, and your dances. You were a ball of fun. I love you like family. Until we meet again, sleep peacefully. Love Tan ❤️*

“ Tasha, I will always remember your smile and your kind heart. I haven't known you as long as most but I'm so glad I got to work with you in the Law Division and share some laughs. You were a sweet spirit and I pray God send your family comfort and peace in this difficult time. Please watch over us all and know that you were loved and special and that you will truly be missed. Fly high Tashi and rest in the arms of the heavenly father.

“ As My lil Sister, Tasha was so spoiled by my mother... So we went shopping and got clothes for the 4th of July, which is also my lil Brother Tramain's birthday... Well, we didn't get Tasha an outfit so she started crying and would not stop... We had to go back to the store and get her an outfit... I was so mad at her spoiled behind that day... But I would buy you hundreds of outfits just to have you here with us... I love you lil Sis... Sleep in peace...
