“ We knew Trent through the ministry of our church, Sauk Trail Baptist Temple, at the Applewood nursing home. We met Trent in August 2022 while holding services there. We got to know him well when we visited there during the week. He was one of our favorite residents there. He always had an upbeat spirit. When we thought we would be a blessing to him, he was always a blessing to us. To the end he wanted to visit his fellow residents and encourage them. it was a blessing to have him attend our services and a blessing to visit with him. We miss him, but know, because of his faith in Jesus, we will see him again.
