“ Valerie was a kind soul and Jonesite. Valerie and I both attended Jones Metropolitan HS together and she was at our last event she was love by many. The graduation class of 1985 will miss our classmate. Rest in peace Jonesite!

“ Ms. Brister was so kind! I worked with her at Bontemps and she was so patient with me and very helpful. I just spoke with her a week ago, reminiscing about the past and our children. You will truly be missed! Rest well Ms. Brister! ❤️❤️

“ Ms. Brister was a very loving and nurturing woman. When she found out I was pregnant she kept saying you are going to have that baby on my birthday. Mine is the 10th the baby came on the 11th. She was right the entire time. She would always say How's my birthday twin? We are going to miss you dearly. There is and will be an enormous void in the MJES office. Rest easy my friend

“ Valarie was a Jonesite. We went to high school together. I'm still trying to digest this. I know God got an Angel. She will truly be missed.

“ Ms. B is what I called her. She was the older sister that I never had. She is an inspiration of what it really means to be a friend.. sister... and so much more. The Cosey Family is missing you but know that our GOD has you now and I will see you in the other side...Continue to smile and watch us as I will always keep your memory alive.

“ *Ms. Brister was one of the best clerks a school can ask for! She was so sweet and kind! I use to call Jackson about 100 times throughout the school year and she always greeted my call with a calm and loving voice! She learned my number when I called she would say I know who this is.... The Jackson Community Won't Be The Same Without You!*

“ *Ms. Brister was my friend and confidant. I grieve deeply for her and miss her tremendously. She was a very important part of our Mahalia Jackson family; she was the glue that kept us all together - without her we are lost. Knowing that GOD calls his people at HIS appointed time, we are sad but we know she's with God. Rest In Peace my Sister!*
