“ *Our hearts are heavy..
I haven't seen Vickie in so many years.. But she was always.. the little pixie.. that road her brother Derrick's nerves.. but he loved, her...!! Derrick and I went to school together. We all had our moments with the younger siblings... in Maple Park... We have so many good memories of our growing up... Vickie was one of our little ones... loved and fondly remembered.
RIP... Vickie.. Praying for The family and especially her children.. in Jesus Name, Amen...!!
God Bless and Keep ... Larry (115th Loomis) and Bonita Jordan (116th Laflin).. and Family*

“ My condolences to Vickie's children and family. My heart is so heavy right now and .I will treasure the days we sat on her porch and watched our children play together. The Block Club parties on 115th and Ada were a success because of her dedication and contribution, Those days are forever gone, but I will cherish the memories in my heart always. I pray that God watches over her children and that he has enveloped her into the Kingdom of Heaven.

May you rest in eternal peace My Friend!

“ Vicki,

I am truly happy that I got to spend some time with you before I moved to California and reminiscence over the times we had growing up. You will be my BFF always. Sometimes I try and not beat myself up for not stopping by back in 2008, 2009, 2010, and 2011; it just seemed like you were never home and I should have stopped anyway. Time is so precious and again, I thank God for allowing us those 2 months to catch up. You got to see my children even though they are grown and I got to see your children. I'm glad when the last time we talked in early February that we both told each other I Love You. I pray that God watches over your children and that he has enveloped you into the Kingdom of Heaven. Love You Always Vicki Lynn.

Rest in Paradise dear Vicki. May God keep your children in his ever loving care. We crossed paths a few years back and talked for a while. Glad we had that time together. My condolences. Carla (Griffin) Harris 116th & Carpenter/Maple Park.
